Barbara Walton

2014 was a brilliant year for our Elagen Sport sponsored triathlete Barbara Walton. During 2014, Barbara achieved many of her goals, coming first in a number of events in the 65-69 age group. As one of our sponsored athletes, who takes Elagen Sport and Beta Alanine, Barbara keeps us informed of her progress and sent an update saying, "Big thank you for your support and help in 2014 which was a near perfect year for me:-

- 1st in British Championships
- 1st in Nationals
- 1st in Europeans in Kitzbuehl
- 1st in World Aquathlon in Canada"

This was her first year in the 65-69 age group. Barbara remains confident and told us, "...just watch this space!"

Barbara, or Barbs, as she prefers to be called, had been determined that having overcome breast cancer over 15 years ago, she was going to get fit for her grandchildren and decided to take up running.

Her tenacity shone through as she took part in two London Marathons, raising money for Cancer Research (children with leukaemia) and Help The Aged.

Her determination was demonstrated by her gruelling 6 day a week training schedule which included getting up at 5.30am on Mondays and Wednesdays for early swimming sessions. On Tuesdays and Sundays she would train with the New Forest Runners and, in the interim, she could be found churning out the miles on her bike. After successfully competing in the 40+, 45+ and 60-64 age groups, Barbara is going from strength to strength in the 65-69 age group.

As a mother, Barbara has spent most of her life looking after and supporting her children, of whom she is very proud; now it is their time to be proud of their inspirational mother who is a model of strength and determination to all. Well Done Barbs!
